John,

Attached is the conditional approval letter. Let me know if you have any questions.

Thanks,
Steve

p.s. Our SHPO concurrence letter went out last week. I'm not sure what the time-line/turn-around is on those, but I know it's out of our shop. When do your guys have to cross into the wedge?

Subject: Conditional Approval for the Zero Zero North Wedge Area, Emery Deep Mine, C/015/0015,
Task ID #3527

Dear Mr. Gefferth:

The above-referenced amendment is conditionally approved. Final approval will be granted once the following two conditions have been met:

- 1) The Division receives documentation of concurrence from the State Historical Preservation Officer (SHPO).
- 2) The Permittee must provide 6 clean copies prepared for incorporation into the mine plan.

Once the aforementioned conditions have been met, final approval will be granted. A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

If you have any questions, please call me at (801) 538-5262 or Steve Christensen at (801) 538-5350.

Sincerely,

James D. Smith
Permit Supervisor
